

MEDIA DATA 2024 – Digital

connect
professional

connect-professional.de

The overarching media brand for the ICT market

In a complex and fast-moving world of information and media, the new connect professional provides comprehensive information about the ICT industry quickly and with the usual expertise. In this way, connect professional is responding to the increasing demand for a holistic view of the ICT market, from the product to the sales channel: whether business decision-makers, channel managers or infrastructure specialists - developments in the ICT market ultimately affect them all.

The claim to have a 360-degree view of these market developments will in future be realized by the enhanced connect professional in its comprehensive reporting at a glance. It is thus the only trade publication that comprehensively covers all areas of the ICT industry.

High credibility. High acceptance.

connect professional is the medium for business IT, telecommunications and all facets of digitization. Its high reach confirms its editorial utility and credibility. Influential ICT decision-makers trust connect professional to inform them about new products, solutions, services and strategies in professional IT and telecommunications. They use connect professional just as intensively as the daily updated .web service connect-professional.de and the connect-professional.de newsletter.

The medium for ICT decision-makers:

CEOs, CIOs, CTOs, system administrators, IT managers / executives

Industries:

Industrial / consumer goods, system houses / managed service providers / IT service providers, public authorities / public institutions / government / science / education / training, retail / banking / insurance, network operators / service providers

Lead generation with webinar

Convey specific know-how to your customers and involve them actively and live in the action. Your audience can ask you questions via chat. Underline the benefits of your products and at the same time the competence of your company with a dynamic and interactive presentation.

Services

- Online advertorial to promote the webinar (booking at least 6 weeks before the webinar)
- Native Ad for application in two connect professional newsletters
- Native Ad for application on connect-professional.de for a total of one month
- Customized newsletter to qualified users
- Participant registration
- Briefing of your speaker and technical implementation
- A live broadcast incl. moderation
- Passing on the registration data (company, first name, last name, e-mail)
- Provision of the webinar as a registration-required On-demand webcast for download

Online advertorial

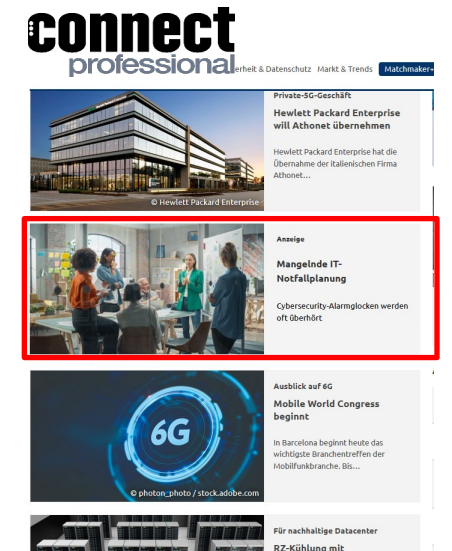

The online advertorial is ideal for presenting complex topics over a longer period of time. Online advertorials are designed in such a way that users perceive them as editorial contributions. This gives your content a high level of credibility.

Implementation

- Complete production of the advertorial after sending text and image material
- Placement of your advertorial in the editorial environment on the homepage incl. picture and linking
- Digital payout: content and teasers are displayed on both desktop and mobile devices
- Post with link to the advertorial on the social media channels (X, LinkedIn, XING)

Price: € 2.990,- (not discountable)

Price: € 9.990,- (not discountable)

Sitebranding to push awareness

Sitebranding

The branding ad as a large frame around the content on desktop and as a combination of mobile banner and mobile rectangle on mobile. On desktop, the ad is scalable and the areas to the right and left of the content automatically adapting to the user's screen resolution to fill the entire area.

Awareness

Due to its size and placement in the directly visible area, the ad is particularly suitable for pushing the awareness of a brand/product.

Price: € 800,- CPM
